The Blinds You Never Clean

SUNBLINDS

Custom-Made Windows & Doors with
Mini-Blinds Between the Glass

CLIMATE GUARD, INC.
106 East Third Street
Imlay City, MI 48444
1-800-886-2441

A Convenience Every Homeowner Should Have.

Replace your windows and patio doors with Sunrise and enjoy the benefits of SunBlinds... mini-blinds actually sealed between the panes of glass. Imagine - no more dusting or cleaning your blinds and, since they're between the panes, they can't be damaged!

SunBlinds are available in Casements, Picture Windows, Bay Windows, Bow Windows, and Sliding Patio Doors.

SunBlinds slats are specially painted with a low-emissivity paint that helps reflect the heat back. Lift and Tilt slats come in 5 colors: White, Off-White, Almond, Gray, Gold, and Silver (shown). Tilt-Only slats are available in White and Alabaster.

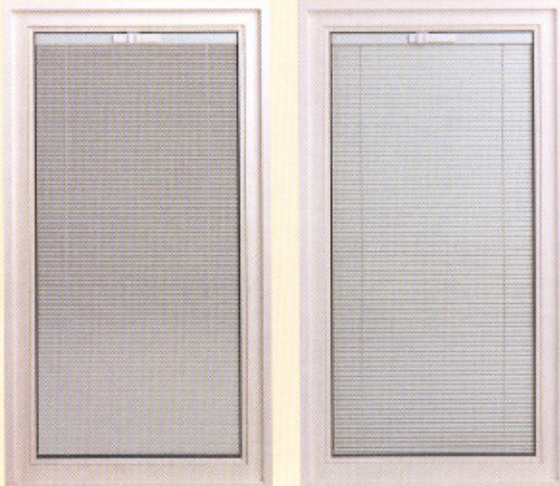

Sunrise Provincial Oak Sliding Patio Door with White Lift and Tilt SunBlinds in SunSafe+Plus Insulated Glass.

With a two-way magnetic mechanism, Lift and Tilt SunBlinds can be raised, lowered, or tilted to any position you desire.

Tilt-Only SunBlinds can be tilted to any position simply by sliding the lever at the top of the window.

Exclusively available from
